

This flyer is written in an easy to read way.

We use pictures to explain some ideas.

The Self Managers group is meeting.
You can come.

It's a **Peer Support Group**.

A **Peer Support Network** is a group of people who meet once a month.

They talk to each other and share things.
You can have fun and make friends.

We will be talking about holidays.

We want to hear about holidays that are:

- easy
- safe
- fun

You can tell your holiday stories.

You can bring your holiday photos.

We will write a **mission statement** for our group.

A **mission statement** says:

- Who the group is
- Why the group was set up
- What the group wants to do and why you do it

You will see a second draft of the film about this Self Managers group.

You can tell us if you are okay for us to send the finished film to the NDIS Peer Connect website.

It is on Wednesday April 26 2017.

It starts at 11.30am and ends at 1.30pm.

We will give you food and drinks.

Tell us if you are coming.
