

This flyer is written in an easy to read way.

We use pictures to explain some ideas.

The Self Managers group is meeting.  
You can come.

It's a **Peer Support Group**.

A **Peer Support Network** is a group of people who meet once a month.  
They talk to each other and share things.  
You can have fun and make friends.

Paul Jay and his team will tell us about how Paul gets new support workers.

You will see a draft film about this Self Managers group.

We would like to film you telling us what you think about the group.

You can tell us if you are okay for us to send the finished film to the NDIS Peer Connect website.

It is on Wednesday March 22 2017.

It starts at 11.30am and ends at 1.30pm.

We will give you food and drinks.

Tell us if you are coming.
