

WA's Individualised Services

Vision: People living their lives, their way

Mission: To promote and advance individualised, self-directed supports and services

Policy and Strategy

Influence the State and National systems through leadership and strategic advice.

Capacity Development

Tap into **existing abilities** of people, families, communities, organisations or systems to increase and support self-direction.

Information and Resources

Provide information and develop resources to support self-direction and individualised services.

Creativity and Innovation

Research and share information and experiences to discover and create opportunities.

WaiS works with people, families, services providers and government.
