My Communication Bill of Rights

PRINCIPLES OF CHOICE

1. I have the right to make choices throughout my day
2. I have the right to be who I choose to be
3. I choose my hopes, dreams and goals
4. All my choices start with my ideas
5. I make better choices if I have had a chance to try lots of options
6. My experiences may be limited by money, experience, or what is possible – but they should not be more limited than others just because I have a disability
7. Let me make my own choices as far as I can
8. Support me if I need help making my choices or making my choices real
9. Choice is a journey, it never stops
